Hi Crystal,

We have a meeting with management to discuss this. Once we have a clearer picture moving forward, I'll reach out to you. The CAG meetings slowed down due to several runoffs in the Dallas elections. Sampling is also still being analyzed. It's looking like July, but I'll have some concrete info later this week.

Thanks,

Hello Ed:

I am following up with you concerning the Lane Plating site.

Per our discussion about a month ago, I look forward to providing community relations support and working with you and the community on this site.

Can you update me on any upcoming meetings and the CAG, so that I can plan accordingly.

Thank you,
